3M™ Scotchcal™ Graphic Film IJ40
3M™ Scotchcal™ Graphic Film with Comply™ Adhesive IJ40C
3M™ Scotchcal™ Overlaminate 8038G/8040M

IJ40 and IJ40C have been specially developed to deliver consistent and reliable image quality with piezo ink jet printing using solvent-based, UV-curable and latex inks. These films with their excellent hiding power are available as a permanent or removable option, in either a matte or gloss finish. Their easy handling and application makes them a good choice for all users. The 3M™ Scotchcal™ Graphic Film with Comply™ Adhesive Series IJ40C is a high-grade all-round graphic film which due to the Comply™ adhesive technology can be applied bubble-free.
