

Avery Dennison® MPI™ 6021 Anti-Slip Floor Marking

Direct Print Floor Graphics

Standout floor graphics are easy to achieve with Avery Dennison® MPI™ 6021 Anti-Slip Floor Marking. Its printable, anti-slip surface helps you bring short-term campaigns to life quickly and simply, without the need for an overlaminate.

This new film is designed for relatively smooth and flat indoor surfaces.

A high performance removable adhesive means fast and clean removability when the campaign is finished, making it the smarter choice for many different short-term floor decoration applications. An excellent option for point-of-sale promotions, wayfinding, short-term ads, product launches, exhibition centres, museums and more.

KEY BENEFITS

- > Directly printable surface that retains its anti-slip properties
- > No need for overlamination
- > Slip resistance and fire classification rating available
- > Printable across all main digital platforms
- > Residue-free removable adhesive, with no need to clean up afterwards
- > Excellent performance for short-term promotions

RECOMMENDED USES

Avery Dennison®MPI™ 6021 Anti-Slip Floor Marking has been designed for eye-catching short-term decorations or messages on floors. It is suitable for indoor public areas or event spaces where clear and vibrant graphics are required.
