

Metamark MD-100 Series

3 Year Calendered Digital Vinyl

Metamark MD-100 is a 3 year calendered digital vinyl for short to medium term outdoor graphics. Applications include advertising, point of sale, windows, advertising boards and other promotional applications.

The 100 micron film gives the product ease of handling onto flat panels, and may also be applied to slightly curved surfaces. The bright white finish offers brilliant colour reproduction on Solvent, Eco-Solvent, Latex and UV Printers.

Performance you can trust
