

Metamark MD-100B Series

3 Year Calendered Blockout Digital Vinyl

Metamark

offers all the benefits of MD-100, with the additional feature of a grey pigmented adhesive to offer improved opacity, and prevent show-through.

The 3 year calendered vinyl is suitable for short to medium term outdoor graphics including advertising, point of sale, and other promotional applications. The 100 micron film gives the product ease of handling onto flat panels, and may also be applied to slightly curved surfaces.

Performance you can trust
