

Metamark M7 Series

High Performance Calendered Sign Vinyl

Metamark 7 Series is a premium grade polymeric calendered coloured vinyl featuring a high grade permanent solvent-based adhesive and a performance-tuned layflat liner. It offers excellent cutting and weeding performance and is easy to work with, making it perfect for vehicle applications, and window and outdoor graphics onto flat or curved surfaces.

The **Metamark 7 Series** includes popular shades of reds and blues that continue to dominate commercial graphics, along side contemporary shades to reflect modern trends such as greys, fresh greens and vibrant oranges.
